A message from Mrs Southey...

Class 1 and 2 have enjoyed their trip to Newquay Zoo this week which was a great success, your children's behaviour was exemplary and you should be very proud of them! We have a very exciting half term planned so make sure you make a note of the upcoming diary dates, further details for any planned activities will be sent out in due course.

Thank you for your support with ordering your child's lunches via ParentPay, we are no longer double checking the list prior to it going to the school kitchen each morning so please ensure you continue to do this if you would like your child to have a school lunch.

As always if you have any concerns or queries which you would like to discuss with me please contact Kirsty who will be happy to arrange a telephone appointment with you.

Class News

Class 1

What a fantastic time we have had learning about Jungle Adventures! Reading jungle stories, making jungle art and visiting jungle animals in the zoo. What was your favourite jungle animal?

Class 2

Class 2 have had a wonderful term which was finished with an exciting trip to Newquay Zoo. The children had a fantastic time and were extremely well behaved. We all thoroughly enjoyed returning to the normality of school trips and hope this is the first of many.

Class 3

We have had a brilliant half term learning about Cornwall. We have learnt about tin mining, tourism, what makes Cornwall wonderful and we have made our own pasties! We have developed fantastic basketball skills in PE and we have created beautiful collages in Art. We have learnt about countries, cities and counties in the UK in Geography and we have written about the Cornish stone dragon in English! Our class book has been The Iron Man which has been enjoyed by all! Next half term will be an exciting half term with a topic called Our Powerful Planet. We will be going on a trip to the Eden Project and we will start our weekly rugby sessions with the Cornish Pirates!

Class 4

Class 4 have had a great half term, packed with learning! We have enjoyed learning all about the Tudors in history and what a big influence they had. We have also carried out lots of Science investigations about light, including using prisms, testing materials that let light travel through and trying out coloured filter spectacles! We are currently building model theatres in D.T. We loved reading the story of Macbeth and have produced some fantastic writing!

November's recommended reads...

Class 1 – Augustus and his smile by Catherine Rayner

Class 2 – Perfectly peculiar pets by Elli Woollard & Anja Boretzki

Class 3 – Children who changed the world by Marcia Williams

Class 4 – El Deafo by Cece Bell

Happy Birthday!

Reminders

- ✚ Please ensure your child has a coat with them every day as the weather is very unpredictable at this time of year.
- ✚ Please can your child come to school wearing their PE kit every **Friday** and bring a pair of wellies with them for outdoor learning. There is no need to bring a change of clothes as they will stay in their PE kit throughout the day.

What to do if your child develops symptoms of COVID-19

If your child develops the following symptoms of COVID-19 you will need to book a PCR test, please remain at home and either telephone or email the school office to inform us:

- A high temperature
- A new continuous cough - this means coughing a lot for more than an hour or 3 or more coughing episodes in a 24 hour period
- A loss or change to your sense of smell or taste

You can find out more information about the symptoms of COVID-19 on the NHS website: www.nhs.uk/conditions/coronavirus-covid-19/symptoms/coronavirus-in-children/

Information regarding self-isolating can be found at:
www.nhs.uk/conditions/coronavirus-covid-19/self-isolation-and-treatment/how-long-to-self-isolate/

You will need to have a confirmed negative test result before your child will be allowed to return to school.
