**IMPACT ON PUPILS PARTICIPATION/ATTAINMENT:** Pupils attitudes to SPORT & PE has continued to grow which can be seen from the figures above with attendance at clubs. All pupils take part in 2 hours of PE per week, in addition to some Active Maths which was introduced this year to increase activity. The school are entering more competitions & events run through the Mid Cornwall Sports Partnership and the Saints Way Academy which allows more pupils to access competition & engage in physical activity. For example, Football & Netball Festivals & Cross Country.

- To continue to engage the younger pupils with a sports/physical activity club in the Summer Term.
- Increase the number of Sport/Physical Activity Clubs being offered - PE lead (JT) to ensure he leads a club.
- Look at 'alternative' activities for pupils to use the local environment.
  - Bowls through entry into the CSG
  - Cycling with MAT bikes
- Upskill support staff to aid club delivery & diversity.
